

TOP CRANE

Maximizing The Human Efficiency

ABOUT US

TOP CRANE is One of the leading Engineering company which manufacturing wide range of Material handling equipments such as Electric Wire Rope Hoist, Electric Chain Hoist, E.O.T Cranes, Single Girder Cranes, Double Girder Cranes, Gantry Cranes, Jib cranes, Transfer Cars, Electric Winches, Grab Buckets, Light Crane System, Crane Control Equipments and Crane Components in INDIA.

We have a strong Design & Development team to undertake any specified application challenges with a fully computerized design department backed by a well qualified and highly experienced team of engineers in material handling equipments.

Expose to national and international standards, computer and crane design software, Computer aided drawing are the company's engineering strength.

We got excellent manufacturing facilities with E.O.T. Cranes installed at our Rajkot (Guj) plant, Which are capable to handle manufacturing heavy assemblies, long girder & heavy fabrication with high quality.

CORE PURPOSE

"To maximize the human efficiency by providing technical solutions and there by contributing to a batter tomorrow."

CORE VALUE

TOP CRANE always demands excellence

TOP CRANE always believes in hard-work & honesty.

TOP CRANE always provides the best quality products & services.

TOP CRANE always respects to all & build strong relationship.

BHAG (Big Hairy Audacious Goal)

To Become 5000 Cr Company
By 2030

We maximize
human **efficiency**

Top Crane is the leading manufacturer of electric wire rope hoist.

Electric Chain Hoist

Top crane brand is well known brand in Electric Chain hoist, We are manufacturing 250Kg to 10 MT Electric Chain hoist. Our chain Hoist Available with European design and heavy-duty application also.

Single Girder EOT Crane

TOP CRANE Single girder cranes have compact construction and allow maximum utilization of room height.

Capacity : Upto 20000 Kg

Span : Up to 40 Mtrs.

Height of lift : As per customer specification

Control System : Latest Technology and high accuracy

Double Girder EOT Crane

TOP CRANE Double girder cranes are rugged in construction and find their use in a wide range of hoisting capacities and application.

Capacity : Upto 2,00,000 Kg

Span : Up to 40 Mtrs.

Height of lift : As per customer specification

Control System : Latest Technology and high accuracy

Gantry Cranes

TOP CRANE manufactures Gantry Crane ranging from 1 ton to 60 ton capacity and up to 40 meter span and height of lift as per customers requirement. These are generally used outdoors in Engineering Industries, Ship yards, Ports, Granite, Steel Yards, Cement Pipe Industries, Open yard, Storage Places, Container Depot etc.

Jib Cranes

TOP CRANE'S Jib Crane are ideal solution for loading unloading jobs on work station / machine tools or for dispatch section for loading unloading from trucks. Jib Cranes designed & manufactured as per IS : 15419. Capacities ranging from 1t to 5t and jib radius from 3m to 8m.

Self supporting (Pillar Mounted) jib crane with 180° to 300° rotation.

Column / wall mounted jib cranes with 180° rotation.
