

TOP CRANE®

Maximizing The Human Efficiency

Manufacture of
**EOT Crane &
Material Handling
Equipments**

An ISO 9001: 2015 Certified Company

- EOT CRANES
- WIRE ROPE HOISTS
- WIRE ROPE CRAB
- CHAIN HOIST
- JIB CRANES
- MATERIAL HANDLING EQUIPMENT
- FULL GOLIATH CRANES | SEMI GOLIATH

**START STRONG.
RISE HIGH.
STAY INSPIRED.**

Building the Future with Advanced
Engineering Solutions

“ Over **13 years**, delivering excellence in lifting solutions across industries. With a legacy built on trust, precision and innovation, we have become a trusted name in the crane and heavy machinery sector. Top Crane continues to exceed expectations, not only lifting loads but also meeting industry standards.

Manufacture of
**EOT Crane &
Material Handling
Equipments**

TOPCRANE is One of the leading Engineering company which manufacturing wide range of Material handling equipments such as Electric Wire Rope Hoist, Electric Chain Hoist, E.O.T Cranes, Single Girder Cranes, Double Girder Cranes, Gantry Cranes, Jib cranes, Transfer Cars, Electric Winches, Grab Buckets, Light Crane System, Crane Control Equipments and Crane Components in INDIA.

We have a strong Design & Development team to undertake any specified application challenges with a fully computerized design department backed by a well qualified and highly experienced team of engineers in material handling equipments.

We got excellent manufacturing facilities with E.O.T. Cranes installed at our Rajkot (GUJ.) plant, Which are capable to handle manufacturing heavy assemblies, long girder & heavy fabrication with high quality

Core Purpose: To Maximize the human efficiency by providing technical solution and there by contributing to be a better tomorrow

Core Value:

- We always Demands Excellence
- We always believes in hard work and Honesty
- We always Responsive & Result Oriented
- We always believes the Quality in all Aspects
- We always Respects to all & build a Strong Relationship

BHAG (Big Hairy Audacious Goal): To Incorporate the Grate practice of GE, Maximize the Efficiency of 50 million people and become 50 Billion Company by 2030.

EOT CRANES

Single Grider Overhead Crane

SWL : 0.5 - 20T

SPAN : As per Customer Specification / Shed Dimensions

HEIGHT OF LIFT : As per Customer Specification / Shed Dimensions

CLASS OF DUTY : Class I, Class II, Class III, & Class IV As per
IS:3177 / IS:4137 / IS:807

Double Grider Overhead Crane

SWL : 0.5 - 250T

SPAN : As per Customer Specification / Shed Dimensions

HEIGHT OF LIFT : As per Customer Specification / Shed Dimensions

CLASS OF DUTY : Class I, Class II, Class III, & Class IV As per
IS:3177 / IS:4137 / IS:807

Jib Crane

SWL : 0.125 – 5 T

SPAN : As per Customer Specification / Shed Dimensions

HEIGHT OF LIFT : As per Customer Specification / Shed Dimensions

CLASS OF DUTY : Class I, Class II, Class III, As per IS:3177 / IS:4137 / IS:807

Goliath Crane

SWL : 5 – 250T (Indoor/Outdoor)

SPAN : As per Customer Specification / Shed Dimensions

HEIGHT OF LIFT : As per Customer Specification / Shed Dimensions

CLASS OF DUTY : Class I, Class II, Class III, & Class IV As per
IS:3177 / IS:4137 / IS:807

HOISTS

European Hoist

CAPACITY : 1T - 15T

LOW HEADROOM HOIST

FALL: 1/4, 2/4

GEARBOXES: PBL, NORD, BONFIGLOLI, SEW

ROBUST, RELIABLE AND LOW MAINTENANCE

MODULAR DESIGN ALLOWS HIGH RANGE OF LIFTING

Wire Rope Hoist

SWL : 0.5 - 20T

SPAN : As per Customer Specification / Shed Dimensions

HEIGHT OF LIFT : As per Customer Specification / Shed Dimensions

CLASS OF DUTY : Class I, Class II, Class III, & Class IV As per IS:3938 / IS:3177 / IS:4137 / IS:807

GEARBOXES : PBL, SEW, BONFIGLOLI, TOPCRANE

MOTORS : BBL, HAVELLS, TOP CRANES

Wire Rope Crab

SWL : 3T – 250T

APPLICATION: INDOOR

LIFTING HEIGHT: 6M, 8M, 10M (as per customize)

PRECISE AND ACCURATE OVERLOAD PROTECTION SYSTEM USING “VFD”

Electric Chain Hoist

CAPACITY : 0.5 – 10T

ROBUST, RELIABLE AND LOW MAINTENANCE

MODULAR DESIGN ALLOWS HIGH RANGE OF LIFTING

LOW HEADROOM

Redefining Excellence in EOT Cranes

At **Topcrane**, we are pioneers in EOT crane technology, driving innovation and precision to new heights. With a commitment to durability, efficiency, and safety, we engineer world-class cranes that optimize material handling and maximize productivity—ensuring seamless operations with minimal maintenance.

Our Esteemed Customers

Innovative Crane Solutions Across Industries

Foundry & Casting Ind.

Engineered solutions for molten metal handling and casting.

Forging Ind.

large presses & automated systems, to enhance efficiency & precision.

Railway Ind.

Precision lifting for railway maintenance and infrastructure projects.

Glass Ind.

Production of various glass products such as glassware, fiber glass, sheet glass.

Steel Ind.

Optimized material handling for steel production and processing.

Fabrication Ind.

Enhancing efficiency in power generation and distribution.

Infrastructure & Construction

Reliable cranes for large-scale construction and civil engineering.

Oil & Gas Industry

Safe and durable lifting systems for the energy sector.

Food & Beverage Ind.

Hygienic and efficient material movement solutions.

Power Sector

Enhancing efficiency in power generation and distribution.
